HH Stallion Fundraiser Mare Owner Contract

Stallion Fundraiser Breedings have been generously donated to the Friesian Heritage Horse & Sporthorse International (hereinafter the "HH") by their owners. These breedings are offered for sale to the public. The sale of these breedings are used by the registry to cover awards, promotions, and registry operating expenses, instead of charging membership fees. Breedings are sold on a first come basis. The payment for the breeding will be made payable to Friesian Heritage Horse by the purchaser. The purchase price is for the breeding service only; all other costs such as mare care, shipping, collection fees etc. are subject to private treaty, to be negotiated directly between the purchaser and the stallion owner.

Terms and conditions

The HH Stallion Breeding Fundraiser is a means of raising funds for the Registry. To ensure a smooth transaction and for the protection of both the Stallion Owner and the Mare Owner, the Stallion Fundraiser is subject to the following terms and conditions. These Terms and Conditions apply to the donation and purchase of any service ("Service") to any stallion ("Stallion") in the Stallion Donation Fundraiser and must be strictly adhered to by both the owner or agent of the Stallion ("Stallion Owner") and the owner or agent of the Mare ("Mare Owner"). The contract must be submitted on this form (HH Stallion Fundraiser-Mare Contract).

Mare Owner Contract

All Services are to be made publicly available for sale at listed fee. The Fee constitutes payment for one Service to the Purchaser's chosen Stallion. All other costs that may be incurred in the course of the Service are to be separate and apart from the Stallion Fundraiser and must be negotiated directly between the Stallion Owner and the Mare Owner. After a breeding is purchased, it is the Mare Owners responsibility to obtain an additional contract between Mare Owner and the Stallion Owner, covering breeding expenses, live foal guarantees, and any and all other issues that may result in breeding the mare.

The Fee must be paid in US funds by check or money order/cashier check and mailed to the address on page one. **Friesian Heritage Horse & Sporthorse International will arbitrate any disputed contracts and their decisions will be final.**

In the event the first choice Stallion becomes unavailable and is not able to fulfill the breeding service, due to death, illness, gelding or injury, no refund will be given. The Mare Owner may apply all monies paid to another available service. Mare Owner should indicate a 2nd choice stallion as a replacement. If the second choice stallion has a higher Stallion Fundraiser price the difference must be paid by the Mare Owner before entering into a contract with the 2nd choice Stallion Owner. The price difference will be refunded on a 2nd choice stallion with a lower Stallion Fund raiser price.

In the event the mare cannot be settled, continually aborts, dies, or is determined by a licensed veterinarian to be unbreedable, the Mare Owner may substitute another mare with prior written notice and approval by the Stallion Owner. In the case of a purchase of a live cover only breeding, a kicking mare may be considered by the Stallion Owner as unbreedable.

The Mare Owner understands that this Fee purchases the **donated breeding service** only and that all other costs, including but not limited to, mare care, shipping fees, collection fees, medical, etc., are a private treaty and must be negotiated between the Stallion Owner/Agent and Mare Owner.

The above named Mare Owner or Agent agrees to pay the Service Fee of \$_____ to the Friesian Heritage Horse Intl.

I (the Mare Owner) have read and agree to abide by the Terms and Conditions of the Friesian Heritage Horse & Sporthorse International Stallion Fundraiser as outlined in this contract.
